How to come and pick up your students' textbooks and materials:

- **ALL** Castle View Students (In-Person/Virtual/HomeSchool) need to pick up new textbooks for the 3rd trimester. **Please bring back textbooks that you will NOT be using for the 3rd trimester to return.**
- Parents will drive through the bus circle and everyone **MUST** remain inside their vehicles. No one will be allowed on campus.
- Staff will radio names of the students and bring their bag of textbooks & supplies to the vehicle.
- **Students with siblings should come on the youngest child's assigned day**

IF POSSIBLE it would be very helpful if you would write your **child's name, teacher, and grade BOLDLY** on a paper displayed in your window.

Thank you for your patience and support!
